It holds that authority should rest with the member units unless allocating them to a central unit would ensure higher comparative efficiency or effectiveness in achieving certain goals. This item has been added to your basket View basket Checkout. The main critique is that some of the contributors seem to have forgotten that universal values are political values that have become dominant or hegemonic.

FederalDynamics:continuity,changeandthevarietiesoffederalism. The meaning of federalism as a political movement, and of what constitutes a 'federalist', varies with country and historical context. The result is that many important decisions of interest to the citizens of Quebec lie within federal jurisdiction—such as criminal law, immigration policy, international trade, macroeconomic policy including taxationforeign policy including the negotiation of international treatiesand defense. Retrieved 8 January

CiteCitation. Federalism was the solution—providing for representation by population at the federal level while simultaneously creating a Quebec with jurisdiction over those matters crucial to the survival of the francophone society in that province.
