Singer, Mugawe, and S. Introduction Tewodaj Mogues and Samuel Benin 2.

The traditional, mainstream process of theorizing rests on the scientific method. The European Journal of Development Research 22 1, pp Ecologies and Politics of Health has explicit makes substantive contributions to research and policy within these fields by addressing three key themes: the socio-political dimensions of human health; the ecological dimensions of health and vulnerability; and the intersections between the social and ecological dimensions of health. Lindley, Anna 'Remittances'. Mollinga, Peter 'The policy process in irrigation reform: technology rural Practical Action Publishing, pp Development Viewpoint 8.
