His success relies much more on foreign markets L'ÎLE MYSTÉRIEUSE. (Annoté) (French Edition) on the domestic circuit and French-speaking audiences are more often than not the key to his box office performance. This is no mere summary sketch, but an already-detailed, clear drawing of the final map, one Verne intended for the engraver to reproduce in its essential lines, giving it cartographic credibility, specifying the contours of the coastlines merely suggested by the author enriching it with relief hatchings and the depth curves found in navigational charts.
