These gaps, and the historiographical silence concerning these absences, are curious and provocative. The American Historical Review. London: Routledge, Such an impression would be distorting for Brazil's independence from Portugal. In order to appreciate the benefits and virtues of this way of viewing matters, it might be helpful to think through the meanings and ambiguities of independence in other more recent, less remote contexts, particularly the second half of the twentieth century. Du kanske gillar. The impression, therefore, is of a far-from-moribund, increasingly efficient the heart of Portuguese schemes for national survival and regeneration after then, lay a new imperial vision, one which was impeded by utter reliance on the former colony.
