To grow further in your role, you must achieve results and build a team that produces. He knew that the best way to create value in the twenty-first century was to connect creativity with technology.

And Jobs speaks candidly, sometimes brutally so, about the people he worked with. The age of the machine dawns, but the age of magic refuses to die. A confounding investigation. In fact, they find him to be a fine storyteller frequently noting, however, an incongruence between content and style.
