And i don't agree with some of the doctrinal aspects in this one in particular. Samuel Fisher. Published by CenterPoint Books I would have given more stars, however, the story ended without one of the major story lines being completed. This is the first book I have read in the Amish genre.

I almost gave up on this book; There are so many bible references sprinkled throughout. I was also confused by frequent references to "English" visitors and "Englishers" - surely there could not be that many English visitors in the area? You must log in to edit Common Knowledge data.
