The message is that decision makers are too often imprisoned by their mindsets.

Obstacles to Ethical Decision-Making proposes processes - including collaborative input and critique - by which individuals may reduce or overcome these challenges. In turn, sometimes these mindsets are caused by failing to question managerial decisions from a moral point of view, because of a perceived authority of management.

In this thought-provoking work, the author examines the prevalence of narrow the Ethical Challenges of Leadership. See if you have enough points for this item.
