Avid readers of these columns should be waiting with bated breath for this, my next article about Original, the plain-hunt principle. It all started calmly one evening after bellringing practice.

It was a brilliant weekend all round and a great opportunity to ring the bells. The only bells that do stuff at a single are the bells in 3 and 6 at the backstroke when the single is called. We hope other ringers will find the details of towers, practice nights and the district ringing programme useful.

This bellringing system was originally designed for an ensemble of four or five. Maybe you have just retired, maybe you are looking for a new hobby, maybe you have someone who would like to do the An Gaisce awards through bellringing.
