Carly's Voice -Breaking through Autism Book Review | COH

Carly's Voice: Breaking through autism, is a brutally honest and raw account of the Fleischmann's family journey through their daughter's diagnosis and.

Carly's Voice: Breaking Through Autism by Arthur Fleischmann

This book is told in Carly Fleischmann's voice, projected by her father, Arthur. For 11 years, Carly was the sort of terribly chaotic problem child who so many parents of autistic children describe. CARLY'S VOICE tells us clearly that, within the tormented bodies of some.

A year or two before the girls were born, we had bought a book titled Raising Your Spirited Child to help us understand why even the smallest thing, like an itchy tag at the neck of his shirt, could set off a full-blown tantrum. She explains her journey from her point of view, adding humor and dry wit. With my newly enlarged family and a house in a great neighborhood with good schools, I Carly's Voice: Breaking Through Autism feeling pretty pleased with .

Carly is--former--autism's fiercest and most valuable advocate. Once she learned to walk, she immediately began to run--generally headlong into dangerous situations like a busy street. Tammy and I could handle this level of intervention.

So it was hard for me to relate to their predicament, since it seems they got so much more out of it. I appreciate the honesty of Arthur Fleischmann and think his and

his wife's journey and feelings as parents of a non-verbal autistic are important to share.
