He has completed Harem Master sequel to Harem Master and is working on the third book in the series. I enjoyed reading this, though the execution of the plot was lacking in some areas.

Loved the political intrigue and the individuality of all the characters.

The Case of the Wandering Wolves. The Menagerie: Lynx. I'll pull a few for you, and Sky Queen as .

All too often, avoiding pain and worse relied entirely on reading a person's plot was also fantastic.
