If your pet sits still, you can place your other hand directly on the area that seems to be afflicted. Reiki for Animals there is no legal requirement to request or obtain veterinary consent before Reiki is offered to animals, it is recommended that any known or suspected physical health issues are diagnosed by a vet before a Reiki treatment takes place.

Animal Reiki Medical Reiki.

It has been proven to be extremely effective, sometimes even more effective than medicine. He lived for many, many years with cancer, and I do mean, living. Reiki for Animals is used to promote the pet's own healing and a sense of well being and healing. What are the benefits?

Every animal is a unique individual and so natural variances will apply. Reiki provides them with the same benefits and healing we experience as humans, making it an effective method of caring for injuries, emotional issues or virtually any problem an animal might experience. Reiki works well with animals for Reiki for Animals same reasons it works well on children and people of all ages.
