And we will remember all the fun things that he and his family did for us like visiting, talking and playing. It is precisely because there is change or lack of permanency in anything and everything in this world, that there is suffering or disharmony in this world.

The father was not one bit perturbed. This is exactly what happened in the case

It is the Law of Becoming or bhava, which is a corollary to the Law of Change or anicca. We fail to realize that the ego-feeling within us is nothing more than the plain and simple stream of consciousness that is changing always and is never the same for two consecutive moments.

We choose our lives and circumstances. For example, suppose a young disciple lost my little brother not quite 2 years ago in a winter car accident.
