Charles Coffelt rated it it was amazing May 09, The limitations are those adopted by the ego, in many cases for good reason.

ToaskotherreadersquestionsaboutTheEarlySessionspleasesignup. Seth: Dreams and Projection of Consciousness is an extraordinary book. As to the means, the very simplest and crudest but still to be adopted method will prove to be hypnotism, simply because at this point your personalities will not trust their own abilities but must rely upon suggestions from the outside. Complete recovery, illness in general situation is set up in response to deep inner involvements.

Basically, experience has nothing to do with time as you know it. The pyramid gestalts can do this, and we help the pyramid gestalts perform this feat.
