He knew what he was doing, and his readers knew what he was doing. Surely the Wife of Bath was a woman of many schools, and her emulation of clerkly discussion had already been commented on by the Pardoner and the Friar. The author herself is the rapist knight.

As in the lay of Guigemar a mental surrender has magical effects on physical reality. This he did because he thought it would ensure the happiness of their wedded life. WE are prone to read and study the Canterbury Tales as if each tale were an isolated unit and to pay scant attention to what we call the connecting links, -- those bits of lively narrative and dialogue that bind the whole. He invents an excuse for dismissing his squire, and rides off alone through the wood, not following any predetermined direction, but led by the path. She admits that many great Fathers of the Church have proclaimed the importance of the summons is incidental to the dialogue. One night, as Jankin was reading aloud from a scholarly work about the evils of women, she became exasperated and, reaching over, tore a page out of the book.
