Community Reviews. And clearly no one on the roof cared if he lived or not.

This series had so many actions and feeling and learning lessons. Whether deliberately or based on a tendency that came naturally to her, Amanda managed with alarming frequency to hurt people's feelings. Main Content While we've done our best to make the core functionality of this site accessible without javascript, it will work better with it enabled. Once again, it was only his affection he hadn't divided equally, never his wealth. And yes Marian is the main character but I just could not stand how Marian would
was my second read of this story, so I liked it enough to come back for .
