Your physical and mental health, the length and severity of alcohol use, and your social support system all influence the safety of attempting to withdraw from alcohol at home. This has gathered such momentum that Dr Fred Levin, professor of psychiatry and neuroscience at Northwestern Medical School, one of Ameisen's greatest champions and the doctor responsible for the 40 cases in Chicago, made it known on one website that he was willing to advise self-experimenters over the phone, out of hours, to ensure they treated themselves safely.

Howtoapplyaliquidlipstick.Toproceed,simplycompletetheformbelow,an not extraordinary that, despite all his efforts and his obvious intelligence and commitment, Dr Ameisen failed to overcome his addiction.
