Categories of Interest: Select All. And besides, I was subtle about the way I did it. While in detention, Ms. I gave this book 4 out of five stars because I just love my type of book, but I still enjoyed it. It also includes a little about advanced math skills. It traffics in the tropes of the genre -- weapons, danger, fist cuffs -- but Gibbs does it with such humor, nonchalance, and smarts that Spy School reader feels in on the joke. Read with my kid who enjoyed the humor and adventure. To see what your friends thought of this book, please sign up.
