Description This volume features thirty-five of Don McKay's best poems, which are selected with a contextualizing introduction by MA c ira Cook that probes wilderness and representation in McKay, and the canny, quirky, thoughtful, and sometimes comic self-consciousness the poems adumbrate. Don McKay. Yet it does not condescend, preferring to provide substantial and sophisticated poets to these new readers. DotheyhearkenuntoOrpheus,whosesongissaidtomakethemmove? Book ratings by Goodreads. McKay may not write with Wordsworthian confidence of the synthesizing genius of the human mind, but if you compare his nature poems with those of a true anti-Wordsworth such as John Clare, the gaps between stated poetics and poem become manifest.
